DETAILED ACTION

I. Preliminary Matters:

- (a) Applicants response filed 10/29/2003 has been received and entered into the file.
- (b) Claims 1-18 are pending.

II. Remarks:

- (a) Issues regarding restriction/election: In view of Applicants arguments, the restriction requirement placed on the case has been withdrawn and the claims have been examined in their entirety.

III. Reasons for Allowance:

Applicants claim chromene compounds according to claim 1. The closest prior art, WO 94/22850, WO 98/45281, US 6,022,496 also claim chromene compounds that are structurally similar to those instantly claimed. The prior art compounds differ from those instantly claimed in that the instant claims provides out the prior art compounds and the references do not fairly suggest the compounds and their uses as instantly claimed. Thus, claims 1-18 are allowed.
